OPEN 24 HOURS

Della Resorts & Spa has been setup with a single - minded approach to provide finest "Experiential Hospitality" services to all guest.

The three thousand square foot spa, with 6 treatment suites including 3 couple suites offers an extensive menu of body and beauty treatments, integrating contemporary oriental spa approach.

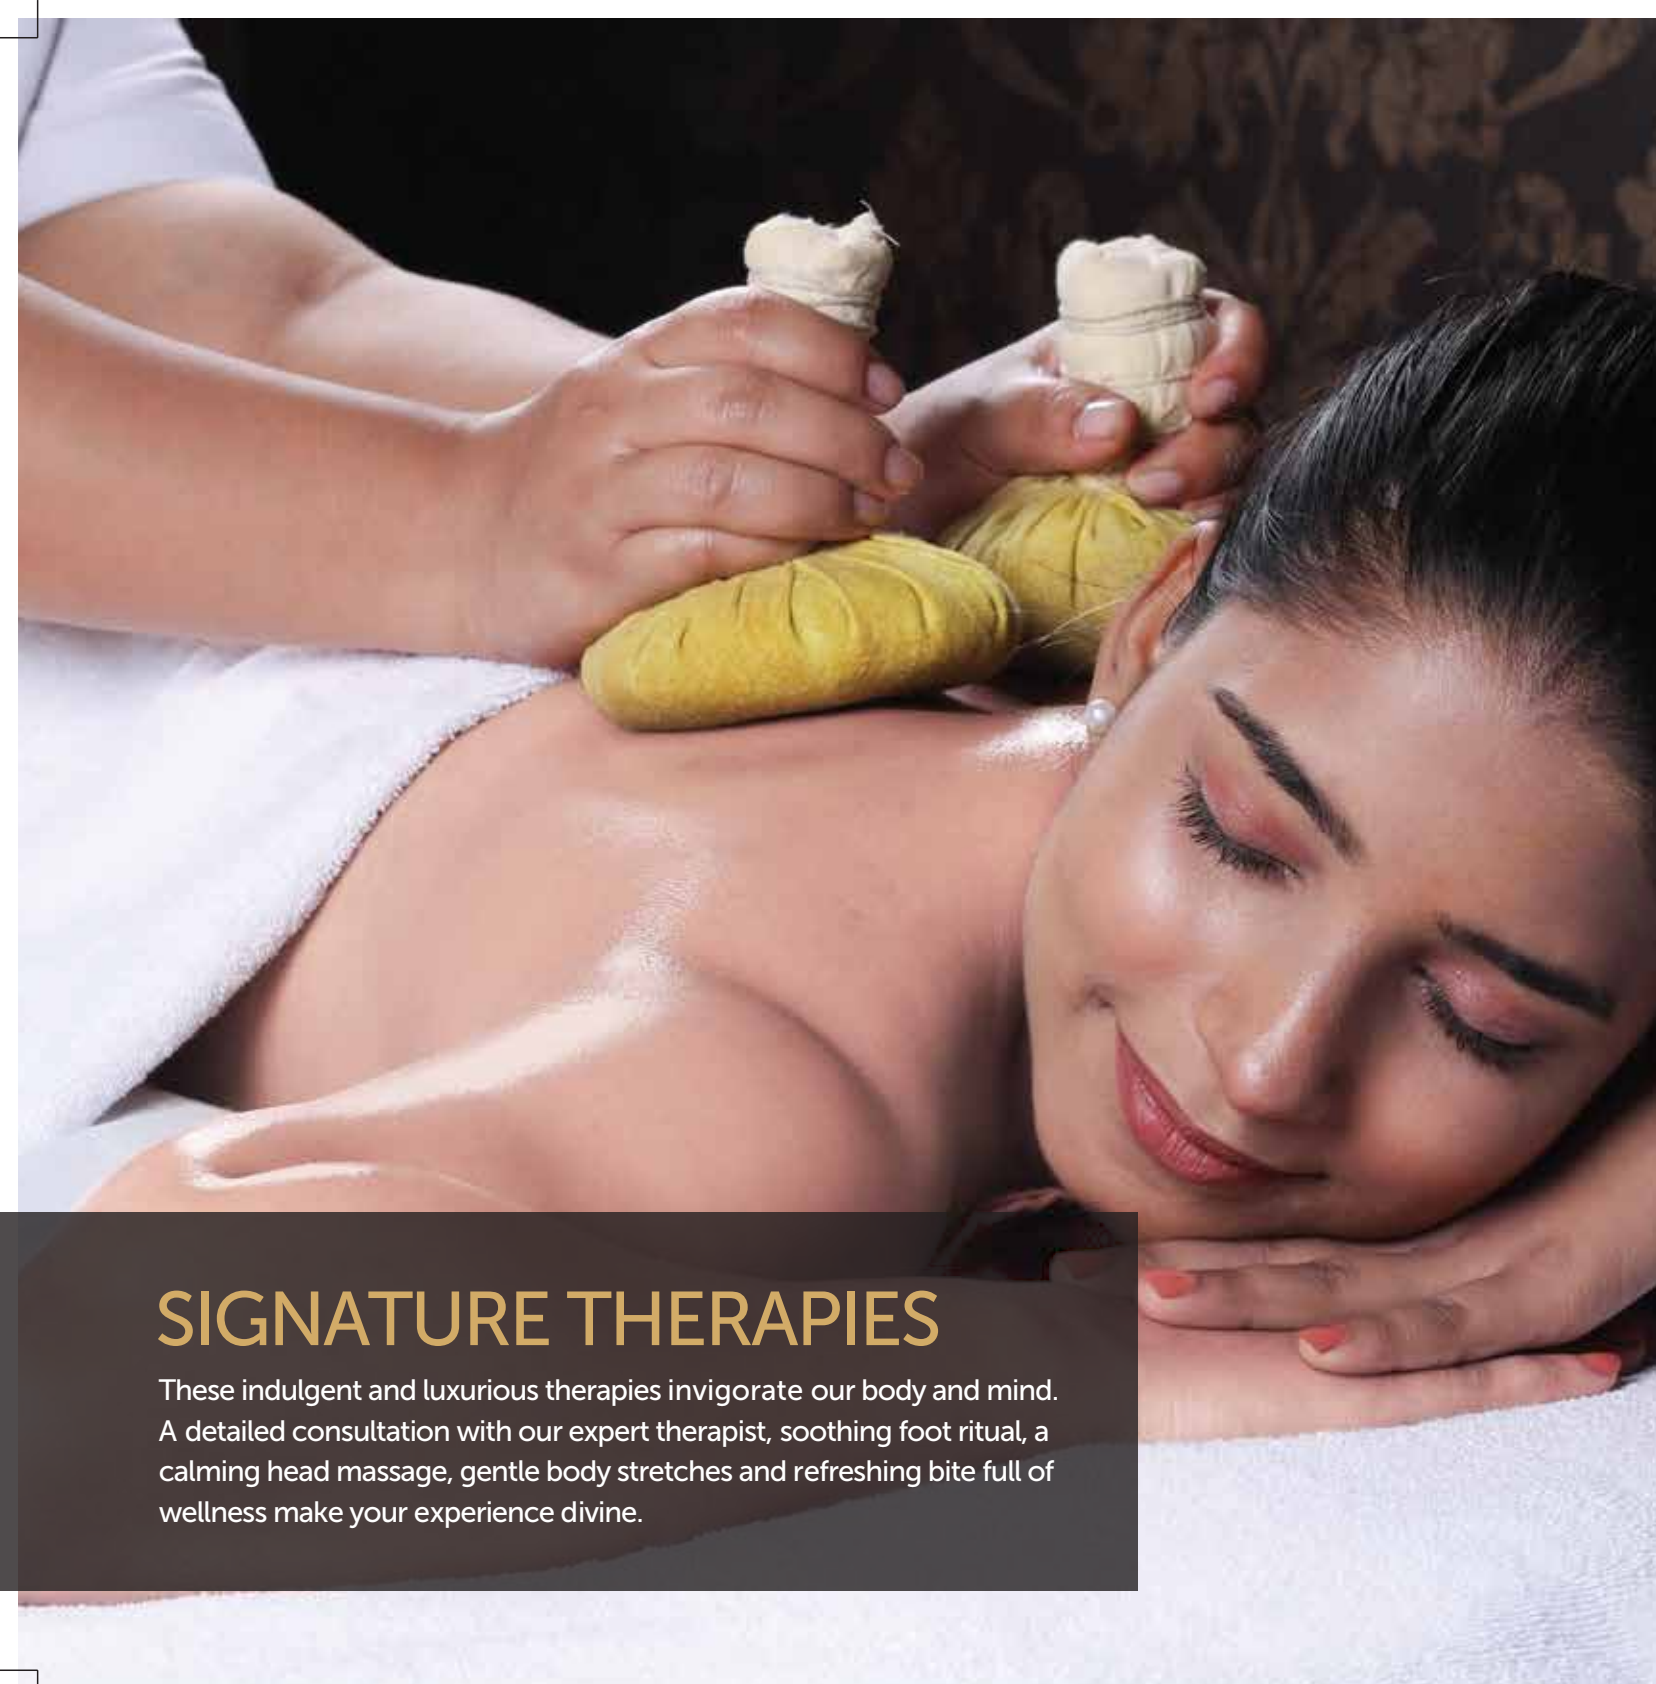

Through out my career of 25 years as a designer I have travelled across the world and always wondered as to why all Spas, Swimming Pools and Relaxation Areas always shut by 9 pm?

Why should a guest not have the pleasure of taking a massage and swimming the middle of the night?

Hence when we designed and setup this place, we made sure that all the guest relaxation areas, Spa, Swimming Pool or Fine Dining would remain open 24x7.

We welcome you to enjoy the experience at Della Spa.
